

eScreenGo Candidate guide

You will receive an email from eScreen with a link to schedule your drug test.

Step 1.

Click on link to access eScreenGo and confirm your personal and contact information.

Step 2.

Search for a clinic by zip, city, state, or by using your current location and select a clinic that is most convenient to you.

Step 3.

(Optional) You can also elect to text or email the ePassport to additional addresses.
